## SUMMARY AND APPROVALS

---

---

**DATE:** AUGUST 11, 2015

**SUBJECT:** UPDATES TO THE CALPFA STANDARD DOCUMENT PROVISIONS AND POLICIES PACKET

**PURPOSE:** CONSIDERATION OF THE CALPFA STANDARD DOCUMENT PROVISIONS AND POLICIES TO RECOGNIZE THE INCLUSION OF ADDITIONAL MEMBERS AS NECESSARY

---

### **Background:**

On July 14, 2015, the Board adopted the proposed standard document provisions and policies packet of the California Public Finance Authority in order to create efficiencies in the bond issuance process by identifying all Authority requirements and expectations at the onset of a financing. Among other things, the standard document provisions and policies offer guidance on:

- Timing of the submission of bond documents for review and for execution along with Authority contact information on where to send such documents.
- Identifying bond counsel responsibilities in the preparation of Authority resolutions and publication of TEFRA hearing notices.
- Providing a form of Authority legal notices and resolutions for local and County TEFRA hearings, bond approval resolution, document provisions for each transaction, including borrower indemnifications to the Authority, and sample closing certificates and opinions for consideration.

Staff recently recognized the adopted document provisions and policies packet did not provide reference to any public agency that becomes an Additional Member of the Authority in accordance with Section 12 of the Joint Exercise of Powers Agreement. Public agencies may be added as Additional Members upon (1) the filing of a resolution of the governing body of the public agency approving CalPFA's Joint Exercise of Powers Agreement and to be added as an Additional Member, and (2) the adoption of a resolution of the CalPFA Board approving the public agency as an Additional Member. It is anticipated that public agencies will become Additional Members of CalPFA and the standard document provisions and policies packet should reflect their membership.

### **Recommendation:**

In order to provide further clarity of reference for any public agency that becomes an Additional Member of the California Public Finance Authority, it is recommended that this Board adopt the updated standard document provisions and policies packet (see attached redline copy).

B. Consideration of California Public Finance Authority Community Benefit Program.

## SUMMARY AND APPROVALS

---

---

**DATE:** AUGUST 11, 2015

**SUBJECT:** CALPFA COMMUNITY BENEFIT PROGRAM

**PURPOSE:** CONSIDERATION OF A PROPOSED COMMUNITY BENEFIT PROGRAM TO OFFSET STAFF TIME AND THE COST OF PUBLIC SERVICES WITHIN PUBLIC AGENCIES RELATIVE TO CALPFA PROJECT FINANCINGS

---

### **Background:**

Section 3.5 of Kings County RFP 2015-50 relating to the Public Finance Authority Program Development and Management Services suggested that each proposal should address whether CalPFA should devote a portion of the fee revenue to provide rebates to project applicants and what portion of fee revenue should be reserved for this purpose. GPM Municipal Advisors, who was ultimately selected as Program Administrator, suggested that CalPFA consider using a portion of its revenues to make payments for charitable purposes both within and outside Kings County.

### **Discussion:**

Although the RFP contemplated proposals to provide rebates to project applicants, staff feels it is equally, if not more, important to consider the needs of the public agencies on whose behalf CalPFA is conducting business. CalPFA project financings will provide a public benefit to the community in which it is located, including job creation, access to affordable housing, healthcare, or educational facilities, to name a few. Nonetheless, each public agency in whose jurisdiction a CalPFA project is located will need to allocate some staff time to facilitate the necessary public hearing proceedings. In addition, each CalPFA project will benefit from the public services provided by the respective public agency over the term of the bond financing.

Therefore, in an attempt to help offset any staff time of a public agency that facilitates public hearing proceedings on behalf of CalPFA and offset the cost of public services to any respective CalPFA project over the life of the financing, staff would instead propose that CalPFA establish a Community Benefit Program to share a portion of its annual administrative fees with each public agency that conducts the necessary public hearing proceedings on behalf of CalPFA for the term of each bond financing.

Staff is proposing CalPFA share 10% of its gross annual administrative fees collected for affordable housing, industrial development bond, or other exempt facility financings, and 15% of its gross annual administrative fees collected for 501(c)(3) nonprofit financings with each respective public agency subject to the conditions set forth on Exhibit A.

**Recommendation:**

In an attempt to help offset any staff time of a public agency that facilitates public hearing proceedings on behalf of CalPFA and offset the cost of public services to any respective CalPFA project over the life of the financing, it is recommended that this Board adopt the proposed Community Benefit Program as described on Exhibit A.

## **EXHIBIT A**

### **California Public Finance Authority Community Benefit Program**

In an effort to offset any staff time of a public agency that facilitates public hearing proceedings on behalf of the California Public Finance Authority (“CalPFA”) and to offset the cost of public services to any respective CalPFA project over the life of the financing, CalPFA has established a Community Benefit Program as follows:

- Each public agency who conducts the TEFRA hearing for a CalPFA Affordable Housing, Industrial Development, or other Exempt Facility project shall receive 10% of the CalPFA annual administrative fee collected for the term the respective bonds issued by CalPFA.
- Each public agency who conducts the TEFRA hearing for a CalPFA 501(c)(3) Nonprofit project shall receive 15% of the CalPFA annual administrative fee collected for the term the respective bonds issued by CalPFA.
- In the event a CalPFA bond financing encompasses multiple jurisdictions, each public agency that conducts the required TEFRA hearings will receive an equally divisible share of the annual administrative fee detailed above, regardless of the amount of bond proceeds to be expended in each public agency. For example, if a CalPFA bond financing encompasses project locations requiring TEFRA in the jurisdictions of two public agencies, each public agency will receive one-half of the Community Benefit Program percentage of the CalPFA annual administrative fee collected for the entire project for the period the bonds remain outstanding.
- CalPFA will remit payment to each respective public agency annually within 45 days following the CalPFA fiscal year end of June 30<sup>th</sup>.
- The portion of the annual administrative fee collected by CalPFA on behalf of each public agency under its Community Benefit Program is subject to the CalPFA fee schedule and the amounts will vary from time to time based on fees assessed by issuance type, bond pay downs, or bond redemptions.
- CalPFA will only be responsible for remitting to public agencies amounts determined from the above-noted percentages based on fees actually collected during the course of the fiscal year.
