California Public Finance Authority 800 S. Broadway, Suite 470 Walnut Creek, CA 94596 Attention: Scott Carper, Program Administrator

Re: Proposed Synrgo Project

Dear Mr. Carper:

I am delivering this letter in response to the request by California Public Finance Authority ("CalPFA"). The City of Brea (the "City") understands that CalPFA is proposing to issue bonds ("Bonds") to finance a project by Synrgo, Inc., a California corporation ("Synrgo") to, among other things, acquire and improve properties located in the City to expand an existing business (the "Project"). The City is not a member of CalPFA and will not be a participant in any part of the proceedings for the issuance of the Bonds.

Synrgo has represented to the City that the Project will increase jobs to the City. The City Council, on April 7, 2020, authorized the delivery of this letter. The City Council understands that the Project, based on Synrgo's representations, will promote:

- 1. Economic development and business expansion;
- 2. Job development;
- 3. Building tenant improvement and new equipment;
- 4. Business retention; and
- 5. Increased local revenue.

This letter is not intended to be, and shall not be interpreted as, the City's approval of any required City entitlements or permits for the Project. This letter does not affect, positively or negatively, the City's full legal discretion to grant or deny any City entitlements or permits, or other approvals required for the Project or to enforce any City local laws or requirements relating to the Project. The City will have no responsibility or liability whatsoever with respect to the Bonds. The City has not undertaken any independent review of the feasibility of the Project, the expected financing or operation of the Project or the Synrgo's ability to fulfill its repayment or other obligations in connection with the Bonds.
